

Where Can I Park For Classes?

Parking for the SBDC is actually very easy and convenient.

Option 1:

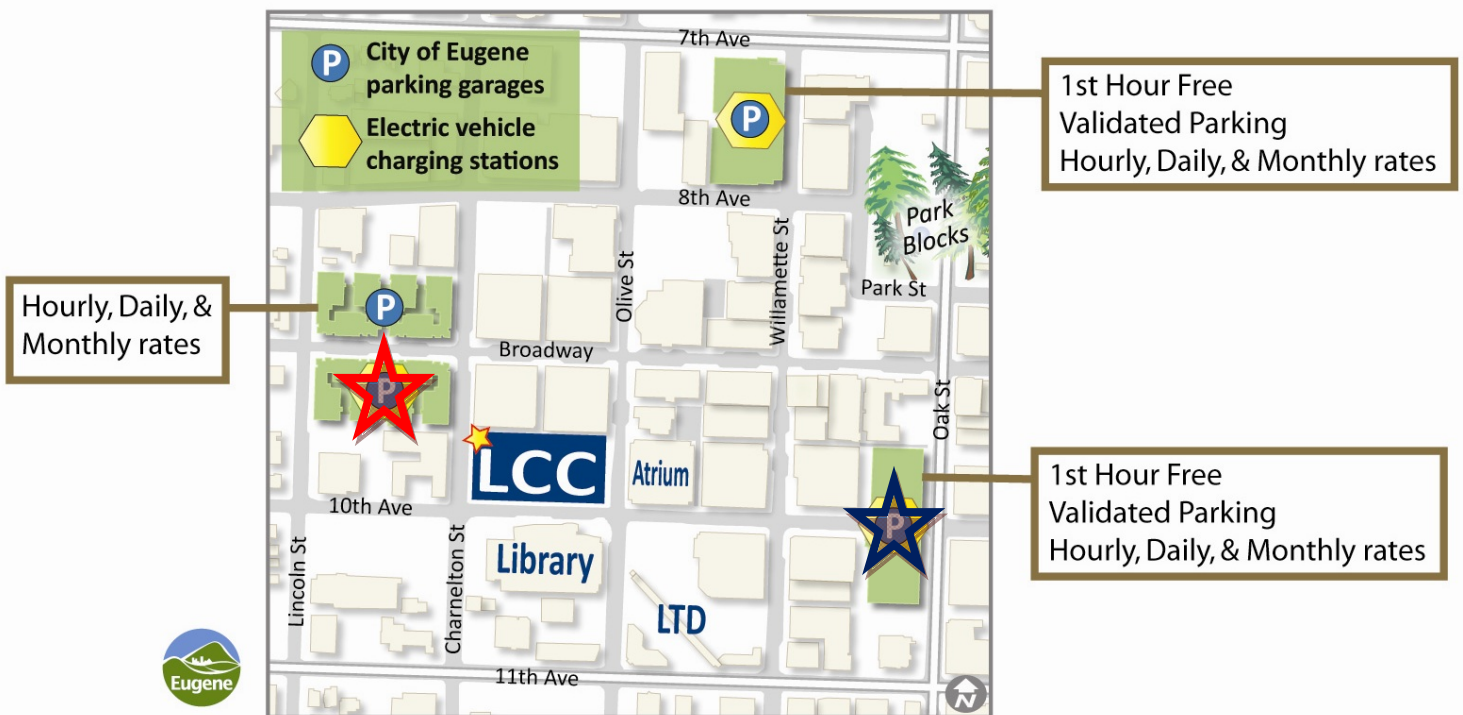

- **STREET PARKING:**

- This can work for 1:1s, as there are some 2 hour spots nearby, but it will not work for classes.

Option 2:

- **PARKING GARAGES:**

- This is what we recommend.
 - The closet most convenient parking is garage with the big **RED** star over it.
 - This is paid parking and IS NOT covered by the SBDC
 - The SBDC does provide FREE parking at the OverPark (Big **BLUE** star)
 - **You have to get a ticket from ME or the SBDC Front Desk – it IS NOT Automatically Free.**
 - This is free after 6pm, so no need to get a voucher from Me or the Front Desk for any of the Evening classes.
